

2008 WILLIAMSON **COUNTY LIVESTOCK SHOW**

DECEMBER 2ND - DECEMBER 6TH 2008

The Williamson County Livestock Association is an organization that raises money to support the Williamson County Livestock Show. We also feel as an organization, that we aid in the development and growth of the youth in the community. Supporting the show takes funds for many things such as: judges, buckles, jackets, banners, trophies, ribbons, and many other items and equipment used to put on the show. The association also raises money to purchase the grand champion animals, and if there is money left over, to help with the purchasing of the reserve champion animals.

Last year we started a new program with multiple sponsorship levels. Even though it was successful, we could have raised a lot more money for the kids if we had started earlier in the year. Many companies and individuals need more time to budget for such a contribution. We hope by sending this out early that it will only increase the donations, making this show reach a new level of excellence.

All of these young people work for many months and long hours on these projects. We, as an organization, are trying to raise the bar for these young people. Many of these young people would not be able to afford college without the money they have raised from these projects, or the opportunity this program brings to them.

We are asking for your help as a community to show these young people that hard work does pay off. Remember, every dollar helps. Hope to see you at the show!

Thank you for all your continued support,

**WILLIAMSON COUNTY LIVESTOCK ASSOCIATION
BOARD OF DIRECTORS**
