Welcome to the Williamson County Livestock Show online entry system! We use this system for Ordering Poultry, Tag in (Validation), Entries, Memberships and running the show.

*****READ BEFORE PROCEEDING*****
How To Begin
Changes to the Rules and Schedule have been made for this year. Please see the Website rule book and validation processes!! <http://www.wmcolivestock.org/show-rules.html>

#1 Register: Start by creating a log-in. Each Exhibitor needs an individual account. Everyone is a **NEW EXHIBITOR** when first creating your account for the current year. Keep your log in information as you will need this for the different stages in the process. If you forget your logon information **DO NOT** simply create another account. Request this information from the email listed below

Families with Multiple Entries
can use "Quick Group" to create multiple exhibitors within one shopping cart. When using "Quick Group" you will still need to register each exhibitor individually as well as process their order individually but you can pay for all in one combined shopping cart. We will not have the option to "Pay Later".

Passport
The New Showorks Passport App allows you to complete your registration, house all show data in one place, and is a basis for communication.

Cross-Validation
During Registration if you are cross validating animals with multiple exhibitors, please use the cross validation (yes) for cross validated animals. Use firstname_lastname for exhibitors in cross validation field. Separate multiple exhibitors in the same field with a comma. Cross validation is only to be used within the same family

Memberships
#2 Items: Memberships are by Family. If there are multiple exhibitors in a family log on to each individual account and choose 1 Primary Membership (P) all other exhibitors will choose the secondary Membership (S). Add the parent/parents

You will be following the numbers along the top of the page to complete the process.

Begin with #1 Registration. Click on the 1 above Register.

ALL INFORMATION MUST BE ACCURATE.

We also DO NOT recommend using a school email address for the exhibitor. Schools often block outside correspondence and can limit the information we are sending.

When complete, click continue

VERIFY ALL INFORMATION, again this is exactly how all information will appear on any reports, classes, judging sheets, and correspondence.

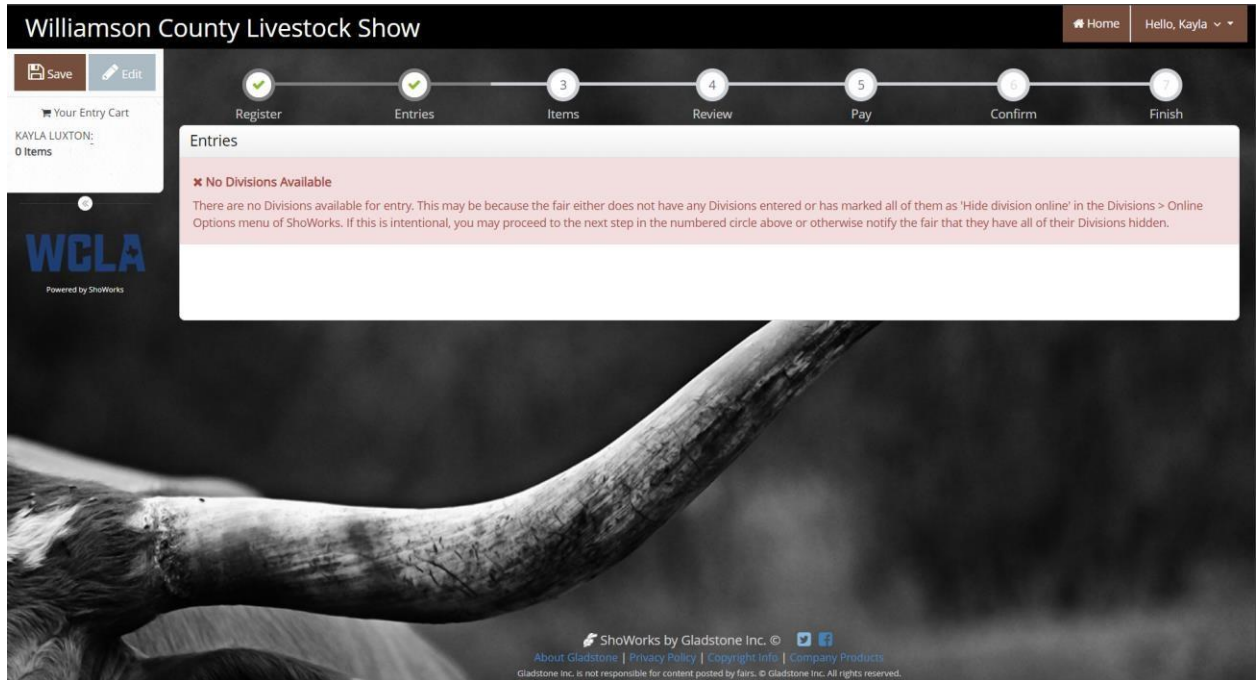

Once verified, click continue.

Once registration is complete, it will take you to #2 Entries.

When entries are open, you will select your species and division here to process those entries.

See “How to Place Entries” for help

For everything else (poultry orders, tag orders, and memberships), proceed to #3

#3 Items is where you will find all tag orders, poultry orders and memberships.
