GENERAL RULES AND REGULATIONS WILLIAMSON COUNTY LIVESTOCK SHOW AND SALE

1. COMPETITION: Competition is open to all bona fide members of a 4-H Club or FFA Chapter in Williamson County and care for their animals under the direct supervision of a County Extension Agent or Agricultural Science Teacher. Exhibitors must either reside in and/or be enrolled in, and attending, public or private and/or home school elementary or secondary schools in Williamson County **by validation date or prior to school district start date, whichever is earlier**. In determining eligibility by school enrollment, a private or charter school must be physically located in Williamson County and a public school district must have its district office located in Williamson County. Market Show Exhibitors must be between the ages of 9 (or 8 and in the third grade) and 19 years of age as of September 1, 2020. Breeding Show Exhibitors must be between the ages of 5 and 19 years of age as of September 1, 2020. Exhibitors suspended under Texas Education Code Section 33.081, “No Pass, No Play” are ineligible to participate in any competition. Livestock owned by 4-H Clubs or FFA Chapters are not eligible for competition in this show.

2. STATE OF ELIGIBILITY: (A) Those wishing to exhibit entries in the Williamson County Livestock Show as a 4-H entry must have the County Extension Agent (CEA) verify the entry application. FFA entries must be verified by the Agriculture Science Teacher (AST). All entries must be owned by the exhibitor as of the applicable validation date. The exhibitor must continuously and personally feed and care for his/her animals under the supervision of their CEA or AST.

IF THE EXHIBITOR IS INELIGIBLE TO PARTICIPATE, AS DETERMINED BY THE RESPECTIVE SCHOOL DISTRICT, THE EXHIBITOR AND THEIR ENTRIES ARE INELIGIBLE FOR COMPETITION.

(B) If an exhibitor enters a market animal, poultry, or rabbits in any other county show, he/she and the animal will be deemed ineligible to show in the Williamson County Livestock Show.

(C) All exhibitors between the ages of 9 (or 8 and in the third grade) and 19 years of age as of September 1, 2020 MUST complete the Quality Counts Program by the entry date. Breeding Show Exhibitors between the ages of 5-8 and in kindergarten to the second grade MUST complete the Texas Trails Program and submit the copy of the certificate of completion at the entry date. (D) All exhibitors MUST be members of Williamson County Livestock Association by the entry date.

3. FEEDING PROJECTS OFF EXHIBITOR’S PREMISES: Feeding projects on property other than the exhibitor’s premises must be approved by the CEA or AST.

- 4. SUBSTITUTION RULES:** All entries must be exhibited by their owners except in the following situations:
- (A) When an exhibitor has more than one entry in one class, another 4-H or FFA member may show one of the entries, but the other exhibitor must be eligible to show in the Williamson County Livestock Show.
 - (B) When an exhibitor cannot be present to show his/her animal, a request for a substitute exhibitor must be submitted in written form no later than two (2) hours prior to the division show time to be reviewed and approved by the WCLA Board of Directors.
 - (C) If an exhibitor is declared ineligible under any provision of Rule 2, above, then all entries of the ineligible exhibitor become ineligible. Animals that are cross-validated may be shown by another exhibitor under the same validation (i.e. a sibling), but only to the extent that the eligible exhibitor has sufficient entries available. Example: Sibling A and Sibling B cross-validate two market swine and each turn in an entry for one market hog. If Sibling A is declared ineligible under Rule 2 prior to check-in, then Sibling B may check-in and exhibit either animal at the show; however, Sibling B may not show both animals, as Sibling B only entered one market hog and Sibling A's entry was declared ineligible. If Sibling A is declared ineligible after check-in, then the entry checked in by Sibling A is ineligible and Sibling B must show the animal that Sibling B checked in. Under no circumstance may Sibling B check in or show more than 4 market animals.

5. TIME OF ENTRIES: All entries must be submitted to the WCLA, on the WCLA Website (www.wmcolivestock.org), on or before Wednesday, November 4, 2020 at 7:00 p.m. Incomplete entries will not be accepted. Total late entry fee will be \$75 per entry fee. Late entries will be accepted for these late fee amounts online only until noon on Saturday, November 28, 2020. **AFTER NOON, NOVEMBER 28, 2020, LATE ENTRIES WILL BE ACCEPTED, UP UNTIL THE TIME OF WEIGHT CARD TURN IN (OR CHECK-IN FOR THOSE SPECIES THAT DO NOT HAVE WEIGHT CARDS) FOR THE SPECIES, FOR A LATE FEE OF \$250.00.**

Following the entry deadline, WCLA will provide Agricultural Science Teachers and the County Extension Agent with a report detailing all entries submitted prior to the deadline. Unethical fitting means any attempt to alter the natural appearance, conformation, musculature or weight of an animal by any unnatural means, as well as changing the normal conformation of any part of the animal's body or using drugs, medications, chemicals, or other substances (including over-the-counter and extra-label substances and uses), or mechanical devices to alter the physical makeup or performance of the animal. Unethical fitting includes but is not limited to the following:

- i. Animals that are in milk due to an unnaturally induced lactation.

No unethical fitting shall be tolerated. If it is determined any of the above practices were used, it will take a majority vote of the WCLA [Board of Directors](#) to take action. Only after all evidence and test results are available, will a decision be made by the [WCLA Board of Directors](#) on the outcome, discipline and future status of the exhibitor. The majority vote of the WCLA Board of Directors is final.

20. ADVERTISING: No exhibitor will be allowed to wear advertising of any kind, other than accepted 4-H or FFA insignia, on clothing worn while exhibiting. Exhibitors will not be allowed to wear caps or hats while showing. Market animals may not have any ear tag(s) other than a WCLA or state validation tag at any time while present on the show premises, provided that ewe lambs and doe goats in their respective market shows may have a proper scrapies tag so long as such tag either does not indicate the breeder of the animal in any way (including shape or color of the tag) and/or is covered in such a way that the breeder of the animal cannot be determined, which shall be in such a manner as determined in the sole discretion of the division superintendent.

21. JUDGE'S AND CLASSIFIER'S DECISIONS: The decision of the judge and/or classifier(s) will be final.

PREMIUM SALE

38. PREMIUM SALE OF ANIMALS: An exhibitor will sell the premium on the placing animals only. Exhibitors will retain ownership of the animal and will be responsible to remove the animal from the show barn after the sale at the designated times. If the buyer wishes to purchase the animal from the exhibitor for personal use, sale negotiations will be between the exhibitor and the buyer. No individual may solicit to purchase animals from exhibitors on the premises except sealed bid buyers.

39. FORFEITURE: Any premium funds forfeited due to disqualification will be dispersed to the Scholarship fund.

39. SALE OF PLACING ANIMALS: All Grand and Reserve Champions in all species will sell in the premium sale. Should an exhibitor have two or more qualified entries in the same division (unless those animals are Grand and Reserve Champion in the same division), the highest placing animal will be sold. If an exhibitor has two or more same placing animals, a draw will determine which animal will sell.

When an exhibitor cannot be present at the sale, a request for a substitute exhibitor must be submitted in written form no later than two (2) hours prior to the sale to be reviewed and approved by the WCLA Board of Directors. If an exhibitor chooses not to participate in the premium sale, they must notify the division superintendent prior to the judging of that division. All animals listed on the premium sale list must be sold at auction in the premium sale. Withdrawing a sale lot from the sale could result in a one-year disqualification for the exhibitor, thus preventing him/her from showing the following year at the Williamson County Livestock Show. A final decision will be made by the WCLA Board of Directors.

40. PREMIUM TO BE SOLD ON MARKET ANIMAL DIVISIONS: The number of steers, lambs, goats and swine to be sold will be determined on a percent of the breed, prorated on the same percentage as the number of animals in the class. Any fraction of a percent over a whole number will be rounded up to the nearest whole number. All first and second place animals will sell in the premium sale, subject to the provisions of Rule 39 limiting the number of animals per exhibitor that may be sold. There will be a move-in ONLY WITHIN A CLASS. (Example: If the exhibitor has two or more placing animals in the same species (that are not Grand and Reserve Champion) ONLY one will sell. In the class that the animal was removed, the next placing animal will move into the sale spot, subject to the placing requirement set forth below.) This WILL NOT affect the judge’s placing of the animal being moved into the sale. Any sale lot or placing vacated because of disqualification will remain vacant.

The following number of entries per division will be targeted for sale; provided that only entries receiving a placing ribbon in class will be eligible for the sale:

Turkey Toms	35 % per class
Turkey Hens	35 % per class
Broiler Cockerels	35 % per class
Broiler Pullets	35 % per class
Rabbits	35 % per class
Steers	35 % per class
Goats	35 % per class
Lambs	35 % per class
Swine	35 % per class

41. COMMISSION ON SALE: A 6% commission will be assessed on Premium/Auction, Barn/Add-on, and Market Truck checks. 1% will be dedicated to the WCLA Scholarship Fund.

42. EXCEPTIONS: No exceptions will be made to any of the above rules.
