We are currently at the stage where we are not processing any entries but only Poultry Orders. This will be the same when it comes time for validation. We will not add Divisions until the time of actual entries. So skip this step and choose the 3 at the top for Items.

✗ No Divisions Available
There are no Divisions available for entry. This may be because the fair either does not have any Divisions entered or has marked all of them as 'Hide division online' in the Divisions > Online Options menu of ShowWorks. If this is intentional, you may proceed to the next step in the numbered circle above or otherwise notify the fair that they have all of their Divisions hidden.
