

**2025 Williamson County Livestock Association  
Rules Acknowledgement/Signature Form**

I, the parent/guardian and exhibitor, am verifying that I have read the “2025 WCLA Show Rules” and understand the consequences of and penalties involved for the violation of any rule therein or conduct that requires disciplinary action or law enforcement involvement by exhibitor, whether in person or by parent, agent, or servant.

**ATTENTION:** Please list the address the livestock will be housed at below. The address where the animal(s) will be located should be approved by the CEA or AST and the WCLA Board of Directors. If a housing address change occurs during the feeding period, the exhibitor is responsible for immediately notifying their supervising CEA or AST as well as the division superintendent of the WCLA. **Feeding projects on property other than the school barn facility or exhibitor’s premises must be approved by the CEA or AST and the WCLA Board of Directors. If projects are to be housed on property other than the school barn facility or exhibitor’s premises for any reason, exhibitors are STRONGLY ENCOURAGED to submit an Approval Form for Alternate Housing prior to purchasing their project. In any event, the Approval Form for Alternate Housing must be properly completed with the required signatures and submitted to the WCLA Board of Directors a minimum of two weeks prior to the validation timeline for approval.**
